

Hamburg... it's all about water

With its canals, lakes (like the Alster), and the Elbe river, Hamburg feels more like a water city than a landlocked one. Boating, kayaking, and riverside walks are an essential part of daily life.

Did you know that Hamburg has over 2,500 bridges? That's more than Venice, Amsterdam, and London combined, making it the city with the most bridges in Europe! (Source: <https://travel-and-eat.com/10-interesting-facts-about-hamburg-germany/>,)

Hamburg is a diverse and vibrant city, offering countless attractions to explore. Here are some recommendations:

- [Elbphilharmonie](#): a stunning concert hall located in the HafenCity quarter, known for its architecture and world-class performances.
- [Hamburger Hafen](#): is Germany's biggest port and an important center for global trade. Located on the Elbe river, it mixes historic sites with modern buildings.
- [Miniatur Wunderland](#): a fascinating miniature world, perfect for visitors of all ages. It is recognized by the Guinness Word Record as the largest model railway system in the world!
- [Planten und Blomen](#): Located in the heart of Hamburg, this park features themed gardens, water-light concerts, and cultural events. Admission is free.
- [City Center](#): Discover landmarks such as Jungfernstieg, the historic city hall (Rathaus), and more.
